We take your children's dietary needs very seriously and ask that you let us know if your child suffers with a food related allergy, or has any other medical or cultural dietary needs. We ask that you contact us for a special diet form. Once we receive your form, we will arrange to meet with you and the Kitchen Manager to arrange a suitable diet plan. Information on the allergen content of our menus is available on our the Devon Norse website [www.devonnorse.co.uk](http://www.devonnorse.co.uk) as a guide and this is updated as changes occur, which are sometimes beyond our control. If your child does have a specific dietary need, please make sure our catering teams are aware and that you check the Devon Norse website regularly for updates.
