

## Safeguarding Children at Kingsbridge Primary School

This school is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment.

We have a Child Protection Policy and procedures in place; these are available to view on our website or in the school office. Parents and carers are welcome to request a copy to read. All staff (including supply staff, volunteers and governors) must ensure that they are aware of our procedures.

Sometimes, if there are concerns about a child's welfare, we may need to share information and work in partnership with other agencies. We will ensure that our concerns about our pupils are discussed with his/her parents/carers first unless we have reason to believe that such a move would be contrary to the child's welfare.

If your safeguarding concerns relate to the actions or behaviour of a member of staff then you should report this to one of the Safeguarding Officers in confidence. The concern will be referred to the Headteacher. If you are concerned about a child's welfare, please record your concern and any observations or conversations heard, and report to one of the Safeguarding Officers or MASH as soon as possible the same day. Do NOT conduct your own investigation.
